

Dear Friends,

As the old saying goes, "HAVE I GOT A DEAL FOR YOU"!

To encourage membership growth this year, Twenty Valley Golf & Country Club is offering a special membership deal that I think you should consider very seriously. Here's how it works:

1. The regular membership fee for the "Silver" membership category is being **reduced by 25%** for the upcoming season. That's a savings of almost \$400!
2. The regular initiation fee of \$1,300 is **WAIVED** – that's right **NO INITIATION!**
3. There's a \$1,200 bond required, but Twenty Valley is letting you pay that off **over four years, and it's fully refundable** at any time should you decide to leave the club.
4. There's a "pond fee" for the huge reservoir built several years ago, and that's only \$280 to new members; or you can pay **\$100 a year for four years** if you want to spread it out a little.
5. The food and beverage minimum for 2010 is only \$425.
6. There's club storage and cleaning; locker room facilities with showers and towels; and a great driving range and practice facility - all available for minimal fees.
7. Then there's the course. For those who haven't had the privilege of playing Twenty Valley, you should. It's one of the nicest and **best conditioned** courses in the area, and definitely a **great bargain** for your dollar. The course is always in fantastic condition due to the efforts of our Green Superintendent Steve Muys and his phenomenal staff.
8. **The food services are fantastic!** Clubhouse Manager Tracy Robinson, Head Chef Brad and the rest of the staff will make sure your food selections and quality is the best, and that your food and drink service are always courteous and professional.
9. There are **great leagues and special events** such as Men's, Ladies and Couples nights, as well as Business Ladies leagues and monthly member "field day" tournaments – lot's of fun for everyone!
10. Here's the last bit. **As an existing member who signs up a new member, I get a \$100 credit** that I can use towards guest green fees, locker rental, driving range membership or club storage. So if you join, we both win!

In addition to all this, here's something for those who'd like to join at the top level "Gold" membership level. If you want to take advantage of this discount offer and apply

it to the Gold level, simply join through the Silver membership special offer, and then upgrade to the Gold level by paying the difference between the two categories. Remember though, there are limited spots available in the Gold category for this year, but it shouldn't be a problem if you act fast.

Remember, Twenty Valley is a member-owned course, and the Managers and Board of Directors take your suggestions and comments very seriously. As a member you don't have to be a board member to sit on the committees that oversee the various departments at the club, so you do have a say in the way things are done.

The deadline for this special is February 28, 2010. If you have any other questions please feel free to ask me, or you can contact the office at the golf course and talk to Eileen. The phone number at the club is (905) 562-5641.

Take advantage of this special limited time offer now so that you can enjoy "**The Twenty Valley Experience**" this summer. Find out why Twenty Valley Golf and Country Club is "**Niagara's Hidden Gem.**"
